CALICO
Classic[™]

HANDCRAFTED POCKETED INNERSPRINGS

This traditional handcrafted cotton calico top and bottom tied, nested and sewn product, is a pocketed innerspring of the very finest quality.

Produced using time honoured hand assembly techniques, first introduced in the late nineteenth century. Combined with the finest natural materials available and the master craftsmanship of Leggett & Platt.

© Leggett & Platt 2007

The Active Support Technology[™] of innersprings allow your muscles to relax in a more natural sleep position. The coils adjust instantly to your sleep movements, comforting and supporting your body actively.
